After a long sabbatical due this Covid rubbish we are back. It was a short but perfectly formed run then back to the pub. Yes a pub. It is amazing after all this time of abstinence we all still seemed to know what we had to do. Once the Covid nazi had taken all our details we were allowed to sit outside. Beers arrived and despite Greta's constant moaning about global warming it was colder than a witch's tit so we supped quickly and returned home. Still good to be back.

Sodden Assets****11/05/2021**

Well Guys and Dolls, Weybridge Hash is back with a bang, after 14 months in semi hibernation, our weekly public running trips around Surrey, are back on your Travel Menu !! There was gossiping, laughter, interrupting, joking, running, innuendo, and huge amounts of fun going on. About 17 turned up for this countryside run, including two latecomers, Great Bear & Mother Brown, he with the flashing torch. Dingaling got carried away, and talked too much, oh no, not again !! Our Hares Spanish Mistress & Sodden Assets raised their game for this one. We roared off after the white stuff, careful...and disappeared into the undergrowth, trees, ponds, streams, root strewn footpaths to trip over, but all was well.

Wurzel told me in confidence, he was humping wood for most of the day, and was a bit tired !!! Whooooa...too much info.

We had a cracking route, no one fell in a pond, and no torches needed tonight !

Smiley Hashers joining us tonight were Pussey aka Meriel, and her good friend Maryam, from Iran. A very warm welcome to you both, it was a pleasure to meet you both. See ya next week !! xx

Picture perfect skies, a garden stuffed with toy animals, and Maryam wondering next to a red pillar box. It's a good start eh ?

Dear Len, aka Ard'on Provocateur kindly brought us free bags of crisps, yet again, and Meriel gave free beers out. Naked Chef & Top Man were back, and The Machinist, plus Lord Tosser himself, ambling around, in his usual style, plus all the usual fine Suspects.

Thanks also to Megabit, for all the marvellous mini runs we have been doing when there were less than 6 of us, at Ottershaw Memorial Fields.

So, the fun starts now, check us out on Facebook, next week, we are in WEYBRIDGE, The Old Crown, is our recipe for success ! Come and get fit, and have a great laugh too. See You next Tuesday, 8pm sharp, don't be late !! On On.....Happiness is coming back !

Can drink, INSIDE the pub too !

The Great Bear

@ The Old Crown, Weybridge

18/05/2021

Well, what a night, 17 Happy Souls met in the Pub car park, after the showers and come 8pm, we ran off eventually, alongside the river Wey first, then the river Thames, almost up to Walton Bridge, then cutting through into Ashley Park.

Our Hare, Great Bear created a fabulous route, so many hidden footpaths, through Oatlands and Queens Road, back towards The Old Crown, an hour and 15 mins later. Sweaty and satisfied, careful !!

We changed clothing, and dived for the pub door, scanning your phone, and we had a nice room at the back, where we sat at tables of threes, and ordered our drinks. Little Yvonne and Amanda kindly served us, and time just flew by.

Wasser turned up at last, and Master Bates, new haircut holding up well, under his hat.

Great Bear, Tight Git, Mother Brown, Master Bates, Kebab, Pig Pen, Naked Chef & Top Man, The Machinist & Annie, Kung Foo Panda, Megabit, Wurzel, Pussyeye back again, Dingaling, Spanish Mistress and Sodden Assets, plus Ard'On Provocateur joined us inside.

Our FIRST.....BIG night inside a pub, for some 14 months, it felt great, laughing and drinking, like we used to in February 2020. Wey...Hey ! Our lives, they are a changing.....for the better, at last !

Wurzel informed Dingaling, that his friend is a Taxidermist, and married to a Vegan, I bet that relationship has some meat in it ! The Machinist & Annie are off to The Isle of Wight this weekend.

This pub, has some Olde World charm to it, and some did not leave till late, poor Dingaling got waylaid by a knowledgeable Polish lady, Agnieska and Chris to discuss tennis players, no KFC for him tonight. Nothing saucy to report this week, Pussyeye got lumbered with Dingaling & Kebab, must have been difficult to get a word in eh ? She was so befuddled, she left her colourful scarf behind ! So, let's see MORE of you with US next week, we are getting fitter by the week, this was a beautiful near 7 mile route through many trees, and riverside views and meadows, and sunsets !

Come and have fun with us next Tues evening at 8pm, go to www.veybridgehash.org.uk for more info. On On...

TopMan & Naked Chef

@ Boldermere Car Park, Ockham

25/05/2021

A very busy carpark, on a Tuesday night, bordering the A3, made for a famous Weybridge Hash night never seen before in 25 years, as our famous Hares, Louise aka Naked Chef, and Geoff aka Top Man are to be married on 26

June, and this was their marvellous way of sharing it with us All !! How lovely eh ? A huge thanks to both of them tonight, and love and happiness for the future.

A big pack of 22 Canadian lumberjacks arrived, oh no..that was us, resting our lithe limbs on the fallen oak tree trunks, before setting off for tonight's adventure, or as Pussy eye correctly called it..Our first Hen-Stag Hash ! Wey hey...

Visitors tonight were Becs, our RAF Reservist, all the way from Kent, who used to run with us, with Stuart Durie, a few years ago, also another Becs, with her boyfriend Levi. A warm welcome to you ALL ! Keep running...Also Maryam was back again, with Meriel, great to see you becoming regulars !

Tonight's beautiful heathland setting is perhaps not surprisingly, a Site of Special Scientific interest, 660 acres of open water, bog, woodland and scrub, with rare dragonflies and damselflies, managed by Surrey County Council. We ran 7.4 kilometres through the soft, occasionally boggy scenery before rocking up for a picnic from our kind Hosts, delicious fresh baguettes and cheddar cheeses, even a black variety from Fortnum & Mason's ! We supped our beers, Wurzel and Dingaling put their feet in the 2 foot hole by the picnic table ! Lord Tosser, Wasser, Sausage, Mother Brown, Great Bear, Kung Foo Panda, and All. what a laugh we had, great fun ! Our previous action packed Weybridge Hashers lives are quickly returning.....so do come and join us next Tuesday evening ! Our new Naturist photographer.....whoops I mean Nature loving Meriel is the kind One providing you with all our beautiful piccies on our Facebook site ! Fabedooos...

Life is blooming, day by day, so enjoy yourselves, wherever you maybe

MegaBit

@ OCC, Ottershaw

01/06/2021

Summer has arrived in England today, 25 degrees, about a month late, but hey that's life on an island ! A cracking number of 20 runners turned up in some form of clothing last night, to keep on getting fitter. Our Hare, Megabit devised a fiendish plan, to run us into the ground, accidental of course.

We roared into the woods at Ether Hill, out the other side into Ottershaw Chase, where they hid the tanks, before the D-Day Landings in June 1944, then off out into a full blown every green bit of Ottershaw, which was fab, and this carried on and on for 7 or 8 miles in total. We bordered the M25, before returning to Ether Hill to finish. One smart runner gave Dingaling a stick, and said 'Give this to Simon, aka Megabit, or maybe Megatit ? Boy, did we get a workout, back by 9.40pm !! One hour and 40 mins of running, fit as fleas we are now, with a few aches. Guests tonight again, Becs aka Bare Bears, from Kent brought a good friend Berron for his virgin Hash, which he seemed to like a lot, good ! His Mum named him after a Children's book, how nice eh ? Pussyeye aka Meriel and Maryam returned for more fitness punishment, but they passed with flying colours, in fact they deserved cake at the finish ! Maryam, shorts in two weeks !!

The whole Weybridge Hash Royalty was in town, Lord Tosser, Wasser, Master Bates, Great Bear, and Ard'On Provocateur, to name but a few. The Machinist was back, plus a local geezer, called Bolton Bollocks, rather unfortunate but needs must. His Hash in Kowloon, and Hong Kong originally wanted to call him, 'Man Utd' but he told them he would never speak to them again, so appropriate bolshy Hash name followed. Becs also brought large slices of her dear Mum's 70th Birthday cake to share with you lovely lot !! we had beers as well thanks to ...Megatits.....sorry I meant Simon. What a host he is, knackered from setting the Kilimanjaro route, from Tanzania, he then served us drinks all night, what a MAN eh, !!!! Respect sir ! A man still recovering from 5 fractured ribs, from falling off his new bike, last November ! A very hard act to follow next week. Kung Foo Panda ran like the wind again, and Pig Pen too, we had a right old workout tonight.

Geoff aka Top Man was beaming, basking in the glory of CHELSEA FC's brilliant victory last Saturday night in the Champion's League Final in Porto !! And so we end by wishing his lovely wife to be, Louise a very HAPPY BIRTHDAY for Thursday, 3 June !!! See You All next week Folks !! On On. XX
