Run	:	1984	28 th March 2023
-----	---	------	-----------------------------

Hare	:	Kung Foo Panda 	ROW TOWN /ADDLESTONE
Start	:	The Cricketers 32 Row Town, KT15 1EY	
Report	:	<p><i>Run Report 1984...The Cricketers...ROW TOWN, ADDLESTONE...28.3.2023</i></p> <p><i>Well, this was a wonderful night with Weybridge Hashers, a dozen of us taking on a lovely wooded trail locally created by our Hare, Kung Foo Panda aka Neil, whose reputation preceded him. It was a dry night for us, but obviously a lot of standing water, due to the rain recently, but so what, a great run it was, with a clever loop at the end to take us up to a high point, very nice indeed ! We were under orders to get back to the pub by 9pm, which we did, exactly, in time for our reward from the Chef, of chips, and there were shedloads of them ! Thanks Neil !</i></p> <p><i>Pusseye, Naked Chef, Master Bates, Megabit, Pig Pen, Dingaling, Kebab, Great Bear, Lord Tosser, Wasser, a nice visitor joined us called Dave who has run with us before, a warm welcome to You ! We were given a great picture gallery new area in the pub, and the staff particularly the Chef and Gemma looked after us All very well. We had a great laugh, Wasser advised Dingaling he was not very brown from his recent Thailand adventures,.....not true Sir, very brown underneath all those clothes actually. Master Bates informed us he got a Police warning for going to a Polling Station with a fake Samurai sword in his belt. Oh er. Pusseye has just come back from a lovely time in Paris with her daughter Morgan. Kebab was cheekily asking Dingaling if he had any Happy Endings, every single day in fact, was the truth of it, Happy to wake up, Happy to go to bed !! Boom boom. We were politely asked to leave the pub at a somewhat early closing time, but never mind. It was a great night, and no rain, like it is tonight. Wurzel no where to be seen, or Tight Git Giles. Next week, it is indeed Wurzel who will be teaching us a few tricks from The Bird in Hand.....careful ...in Mayford round the back of Woking. GU22 ONL. Do Not miss it ! On On. Feel really fit !</i></p>	
On-On	:	The Cricketers	
Run	:	1985	4 th April 2023

Hare	Wurzel 	MAYFORD/ WOKING
Start	The Bird in Hand, Egley Road, GU22 0NL	
Report	<p>: <i>Run Report 1985...The Bird in Hand...MAYFORD...4.4.2023</i> <i>This very nice pub on the main A320 to Guildford was our treat tonight. Wurzel, he of 'The Glasses' and a great sense of humour, was here to take us for, what was in fact a great 8K run, but a bit of a mudbath, more later. Loads of flour, off into the night we went after 8pm. We set off, up Hook Hill rd, round parts of Woking Golf Club, and back via the Mayford Meadows Nature Reserve, trainers nicely caked in mud. Visitors tonight were two special people, Mother Brown, back from Melbourne for the Summer, always a pleasure Sir ! Also, Tracy, aka Pussy Galore, wearing her stylish black and red Olympic kit !! We have not seen You for a year, far too long ! As we were running round, and chatting, realising Wurzel was taking us into the shiggy, Dingaling said 'Well the last time I got my trainers sucked off on a run, was on a wet night in Dorking 10 years ago !! Tracy, quick as a flash said ' That's a long time between sucks !! ' The banter continued to flow as we ran between wet and semi dry routes. Spanish Mistress Linda & Sodden Assets Mark, had joined us again, and we were all nattering like nine pins, and the cosy warm, well lit, dry pub only encouraged us more. Ard'On Provocateur Len arrived, and Master Bates Briain provided more wisdom. Wurzel told us that Marston's Pedigree was the best Ale around, biscuit malt, spicy hops and light fruitiness !! So there....and was launched way back in 1952. Tight Git Giles was back, Pusseye aka Meriel, full of cheer, and Kung Foo Panda, and Great Bear too and Sausage. Naked Chef & Top Man must be on holiday. Kebab took a cracking pub photo, check us out on Facebook. **. The Daffodils are all out, but the colder nights still won't go away yet. A fabulous night again ! We are off to Wood Street Village, near Guildford next Tuesday, GU3 3DA, but we are likely to be running from The White Hart, just 200 metres away, as The Royal Oak does not open on Tuesdays. See You All there please, will be great fun ! On On...Try to get there for 7.50pm.</i></p>	
On-On	: The Bird in Hand	

Run	:	1986	11 TH April 2023
Hare	:	Spanish Mistress & Sodden Assets	WOOD STREET VILLAGE
			
Report	:	<p><i>Run 1986 Sodden Assets and Spanish Mistress – White Hart, Wood Street Village, Guildford</i></p> <p><i>Sodden Assets suggested that the hash report should be short and descriptive, just three words “Wet and Muddy!”. This was a run when we all got sodden. The day had started with warm spring sunshine, but as the day went on the rain was pretty constant, and only a hard core group of Hashers who delight in the challenge of a soaking wet run would be there, we were. The venue is great, but who was to know how wet those footpaths really would be; the area is full of potential and surprises. So close to Guildford, however amazingly rural. Topman was quite jealous that SA and SM had the venue, and he has worked out that unless he braves September, the next opportunity for a day light run there could be spring or summer next year.</i></p> <p><i>I reflected on my way home that the press media had suggested this particular Tuesday that people should due to it being day 2 of a 4 day Junior Doctors strike avoid risky, potentially hazardous activities. We are hardcore or is it something else! Is it an addiction or a running problem?</i></p> <p><i>There is a particular gleeful experience of squelching fields and footpaths in the twilight with puddles / ponds that reach both sides of the path. The mud that you tread on, not knowing if it will cover your shoe, be up to your ankle or be a little bit more solid than it looks. SA and SM gently guided us when we looked like we were straying, so we came in on exactly the hour, what's not to like? The pub was very welcoming with the key choice being London Pride or Neck Oil. The Chips much appreciated thin chunky options and plentiful. Thank you SA and SM.</i></p>

Run	:	1987	18 th April 2023
Hare	:	Pig Pen	GODALMING
			
Start	:	The Jack Philip, High Street, GU7 1DY	
Report	:	<p><i>Run Report no. 1987 Tuesday 18th April 2023</i> <i>Hare - Pig Pen</i> <i>Location – The Jack Philips, Godalming</i> <i>It was still sunny when we met just before 8 in the car park behind The Jack Philips, spring has finally arrived. We also welcomed a new hashier, Josh, and the return of ‘The Babes in the Wood’, Sue and Lisa. Great to see you all and we hope to see you all again soon. We had a good turnout of regulars. Spanish Mistress, Pussyeye, Naked Chef, Kebab, Tight Git, Great Bear, Master Bates, Lord Tosser of Weybridge, and Wasser all made it to Godalming. Sausage was away... again. Hope to see all you other regulars next week. Best wishes to Sodden Assets (Mark), hope you get better soon and wishing you a speedy recovery.</i></p> <p><i>We set off on time, but the pack came to an abrupt halt shortly after when Pussyeye took a painful and expensive tumble. Bruises and broken glasses meant that she returned to the carpark and joined us later in the pub for medicinal chips.</i></p> <p><i>If you don’t know Godalming, its quite hilly and Pig Pen found most of them. Great use of footpaths and back checks took us up Holloway Hill, past Godalming college, through a fairly new housing estate and back down to the Inn on the Lake roundabout. Back up to Ockford ridge before dropping back down past The Meath epilepsy Charity (a topic I will revert back to later) and through Godalming station before returning to the high street and passing St Peters Church and the allotments leading us back to the Car Park. Well done Pigpen for a superb route of just under 7km, and back in the carpark just after 9.</i></p> <p><i>Len turned up late after his own pub crawl to get to the pub and missed the generous supply of Chips and onion rings, which were gratefully consumed, washed down with reasonably priced beer! So back to The Meath. My niece is a resident at The Meath where they provide amazing care for people living with complex epilepsy, enabling them to live as independently as possible and fulfil their potential. Naked Chef (Louise) is raising money for them by abseiling off the top of Guildford cathedral on the 20th May in support of the Meath Epilepsy Charity. Please give what you can to support Louise in her challenge, Lousie’s just giving page is https://www.justgiving.com/fundraising/louise-day12....</i></p>

Run	:	1988	25 th April 2023
Hare	:	Megabit	THORPE
			

Start	:	Red Lion Village Road, Thorpe TW20 8UE
-------	---	--

Report	:	<p><i>Run Report 1988...The Red Lion...THORPE...25.4.2023</i></p> <p><i>Nicely hidden away village, a mile away from Chertsey, we assembled our keen group in the car park, still no warmer weather to shout about ! Hare's assistant Neil, aka Kung Foo Panda, told us in no uncertain terms, we would get COVERED in mud tonight ! He wasn't wrong either. Boo hoo.</i></p> <p><i>Chertsey Abbey owned the village of Thorpe until the Reformation in 1558, then Family ownership took over. Roman remains have been unearthed in St.Mary's Church, dating to 150 A.D. Chertsey Abbey supported William The Conqueror in 1066, and was rewarded, with new buildings, and a Norman Arch.</i></p> <p><i>We raced off, hoping drainage worked well round here, and soon we found out the answer ! Quite bright tonight, no need to use our torches till 8.30pm. Megabit created quite the route, through every Farmer's field and bog, and all sodden public footpaths in between. Dingaling kept swearing, as he doesn't like the mud much, but the Run was great, all 9K of it ! We were running alongside Thorpe Park, so ran past a few lakes, without our Waterski's on, of course ! Also crossing the M25, passing Longside Lake, and also the famous Great Fosters Hotel, original one of Henry The Eighth's Hunting Lodges for chasing deer in the 1550's ! Amazing eh, we made it back after an hour and a half, caked in mud. Oh er. Got changed somehow into clean clothes in the car, and off for a pint !</i></p> <p><i>The Landlord was welcoming, beers on tap, lagers too, bowls of chips, thanks a lot Simon ! We had a great natter, welcomed a new guest runner, Josh, who ran a mile from Egham to meet us !</i></p> <p><i>Very nice to meet You, he is off to the Isle of Wight this weekend for the small matter of a 60 mile Walk round it with his Mum & Dad ! Gasp...going to do it nonstop in under 24 hours they hope. GOOD LUCK with the weather too. Marvellous photos by Alan on</i></p>

Run	:	1989	2 nd May 2023
Hare	:	Pusseye	WEYBRIDGE
			
Start	:	The Hand & Spear, Old Heath Road, KT13 8TX	
Report	:	<p><i>Run Report 1989...The Hand & Spear...WEYBRIDGE...2.5.2023</i> <i>What a setting tonight, a tall imposing red bricked Victorian house built by Lord King in 1833, who then converted it just 5 years later into a quality Hotel and pub restaurant, bought by Young's Brewery in 2006 , and now ideal for 2023 !! Come on in ! The famous 'Bentley Boys' 1919 – 1931 used this as their local Pub, while they then would drive to Le Mans in France and WIN it 4 years in a row, 1927 – 1930 !! Hurrah....</i> <i>Now running tonight, a good pack of about 20 arrived, and no surprise, Pusseye aka Meriel conjured a clever, inventive route using both sides of the railway line and all the woodland possible to make this 9K run very enjoyable indeed ! We were treated to cows, donkeys and horses, all after some food and affection. Plus waterfalls, bridges, railway lines and fields galore !</i> <i>It was a cracker, and no mud ! All the Hash Royalty were in town, Lord Tosser, Master Bates, Mother Brown, The Machinist and Ard'on Provocateur ! Naked Chef & Top Man plus Kebab, Kung Foo Panda and Dingaling & Great Bear would like to invite You next week to Epsom, atop the racecourse for The Derby, but we will run it a month early from The Derby Arms, Tuesday 9 May 2023 at 8pm sharp, KT18 5LE.....Get there early. Please wear Red, White & Blue,</i></p>	

	<p><i>no excuses, to celebrate the Coronation of King Charles the Third, this Saturday 6 May !! Hip Hip Hooray !!</i></p> <p><i>We are so LUCKY in this fine Country of ours that we celebrate our History so well, better than anyone else in the whole World ! Even though the trendy Social Media Geeks try naively hard to pretend they don't understand.....derrrrrrr. Notable Absentees, Nettle Rash Andy, where are YOU ? and Wurzel too ? Sausage now back from Australia, but off again ! Put 18 JULY 2023 in your phones, this will be our 2000th Run since 1976 !!! Shock, gasp, drink a pint ! Do come and join us, if You are a Hasher ! It will be a brilliant Occasion ! On On...See Ya next week !</i></p>
