Run	:	1956	13th September 2022
Hare	:	Pig Pen	SHALFORD
Start	:	The Queen Victoria, Station Row, Shalford, Guildford GU4 8BY	
Dir'ns	:	<a href="https://tinyurl.com/ynf9zvny">https://tinyurl.com/ynf9zvny</a>	
On-On	:	The Queen Victoria	
		<p><i>The Queen Victoria, Shalford 12/10/21</i></p> <p><i>Hare : Pig Pen</i></p> <p><i>Tuesday evening and a choice between watching an exciting football match, England against Hungary at Wembley, for a chance to qualify for the World Cup being played next year in a traditional desert venue, or going to a Weybridge Hash. Given a dry evening the chance to hash won out and so 7.50 saw me arriving at the Queen Vic in Shalford, listening to what sounded like a commentary on a punch up between Hungarian supporters and the police rather than a England/Hungary football match.</i></p> <p><i>By 8.00 a pack of 8 consisting of Mega bit, Kung Fu Panda, Naked Chief, Top Man, Mother Brown, Tight Git, The Great Bear and Wurzel, had assembled to be joined at the last minute by Spanish Mistress, Sodden Assets, Sodden Assets</i></p>	

*previous experience of hashing with Weybridge, which included getting lost and being flashed at (not by a hasher I hasten to add) hadn't put her off. Obviously she's a tough Yorkshire lass!*

*Having hashed the area a number of times with Guildford and Pistoffen I was confident the trail would go across the green and then make its way up Chinthurst Hill. Wrong, it went in the opposite way and off via the scout hut carpark where I had parked (and failed to notice the blobs of flour), towards the canal, where I jogged alongside Mother Brown for a while. We had a brief discussion about the benefit of cataract operations, not sure what that says about the age of current hashers.....*

*Arriving by various wanderings at Chinthurst Farm I was still convinced we would be taken up Chinthurst Hill. Wrong again and we turned north instead. I was not the only one getting things wrong as I was being frequently passed by Kung Fu Panda complaining that he'd yet again checking in the wrong direction and Mega bit who was regularly checking in the right direction but, being a wuss, turning back before finding the flour. Additionally, as the checks were long, the hare was needing to give the pack some hints.*

*Having checked a long way in the wrong direction I caught up with Sodden Assets at the back of the FRBs asking if I had seen Sue and Spanish Mistress as he'd been tasked with ensuring they didn't get lost but he'd managed to loose them.....Fortunately I was able to tell him I'd had just passed them.*

*Having failed to take us up Chinthurst Hill the hare now took us off towards the Chartries. Fortunately he took pity on us and the trail failed to go up this hill either. Heading back towards Guildford, rather than directly towards Shalford, with time ticking on the hare appeared to feel sorry for the pack and gave us a short cut which took us back to the pub in about 70 minutes.*

*In the pub we found that Mother Brown, Sodden Assets, Spanish Mistress, Sue and Yorkshire Log, were already there, having presumably been given a significant short cut by the hare and had been joined by Len.*

*Once settled with our drinks large numbers of chips seasoned with paprika appeared and were very much appreciated.*

*A great trail on a fine night although some of the checks were a bit long for a dark night. It had me guessing most of the time. Definitely a better way of spending an evening that watching what as apparently a very mediocre England 1-1 draw.*

*With luck normal service will be resumed next week and the hash notes will be produced by our professional scribe rather than this rank amateur.*

*On-on,

Run	:	1957	20th September 2022
Hare	:	Spanish Mistress & Sodden Assets	RICHMOND
Start	:	The Rose Of York, Petersham Rd, Richmond TW10 6UY	
Dir'ns	:	<a href="https://tinyurl.com/2p8j6v33">https://tinyurl.com/2p8j6v33</a>	
On-On	:	The Rose of York	
		<p><i>Run Report 1957...The Rose of York...RICHMOND...20.9.2022</i></p> <p><i>In this beautiful setting on the hillside leading down to the banks of the River Thames, a location made famous by the great painter William Turner in 1819, we excitedly met up for this special run by Spanish Mistress &amp; Sodden Assets, who sadly cannot run with us every week, as they used too.</i></p> <p><i>Up the hillside we went, past The Wick, on the corner owned by Pete Townsend, of The Who, now selling up for £15 Million after 25 years, if You would like it ?</i></p>	

*we ran towards the deer, who then ran away. Ideal setting for a run in here, we ducked under little clumps of trees as we ran round a lot of the park. Eventually, coming back down the hill and up to the black gate, by Richmond gate, then down the steps behind The Star & Garter home, now flats, cleverly towards the Petersham road, and home. Into the pub, always quiet at night, until we arrived anyway, we attempted to drink the place dry ! One Hasher absentmindedly left his MG car keys on the seat !! Oh err ! The Bolton Boy, Bill, too many cars perhaps ? Beers and Lagers were all Samuel Smith's as they own the Hotel, offering 12 en suite bedrooms for your pleasure, but no TV's ! Delicious chunky chips were laid on by our kind Hares, THANKYOU.... which the manager Nicholas kindly heated up, as the Chef had gone home at 8.30pm. Great to see Mark and Linda again, and any excuse to see You both again please ! T'was a great run in the countryside, only 12 miles from central London. The Machinist aka John, and Bolton Boy were here, Mother Brown, Kebab, Wurzel, Naked Chef & Top Man, Pig Pen, Dingaling, Great Bear, Kung Foo Panda, to name a few. No Wise Men tonight, but we had fun, as people now seem to be booking up their trips around the World at last, after these very difficult 2 years or so. Next week Kebab can and will entertain You All from The Horse and Groom in Chobham, GU24 6AA. Don't miss it, On On ! Will be Dancing Girls and Irish Pixies, to name but a few !*

Run	:	1958	27th September 2022
Hare	:	Kebab	CHOBHAM
Start	:	Horse and Groom, 30 High St, Chobham, Woking GU24 8AA

On-On	:	Horse and Groom	
		<p><i>Run Report 1958...The Horse &amp; Groom...CHOBHAM...27.9.2022.</i>  <i>Autumn chill in the air, long dark evenings are now a regular, and we are back where we were in October last year. A delightful venue, in the middle of Chobham village, more of which later. A good group turned up tonight, great to see Meriel back with us, 3 Wise Men, Nettle Rash aka Andy, the Dog Whisperer...Woof, and blow me sideways, Mark and Linda returned again, to enjoy themselves ! Sausage returned from Malta, Kung Foo Panda and Wurzel, all rocked up for this ideal 7K run round the whole local area.</i>  <i>Many, many local footpaths, to find in the dark with our torches, and Alan is keen on the local Mushrooms, rather him than me eh ! Pig Pen led the way, along with Pusseye Meriel, and we all got round somehow, Dingaling even running into a little stream near the end to test the depth !!</i>  <i>Back in this cosy warm, micropub successfully run since 2020 by Alex and a very kind lady assistant, both plied us with drink, and then fed us All with personal portions of, careful.....tasty sausages and chips, delicious they were !! Yum, yum. Poor Master Bates had injured his hand on a run, a couple of weeks ago, but is thankfully recovering. Lord Tossler, Ard'On Provocateur &amp; Wasser were back, with their usual sharp rowdy humour, and we stayed close to closing time. All fed and watered, we will be back here again ! Naked Chef &amp; Top Man on holiday somewhere, and Tight Git Giles, enjoyed the run, but had to miss the pub. Our evening was a treat, so thanks Alan, a big hit for both eaters and drinkers, must of cost him a small fortune ! Next week, Lord Tossler will tempt us to the delights of Old London Road, Mickleham, on the left side of Box Hill, on the A25 road to Dorking, RH5 6DU, bring your torch or else, to The Running Horses pub. Should be fun. On On !</i></p>	

Run	:	1959	4th October 2022
Hare	:	Lord Tosser of Weybridge	MICKLEHAM
Start	:	The Running Horse, Old London Rd, Mickleham, Dorking RH5 6DU	
Dir'ns	:	<a href="https://tinyurl.com/3456u63k">https://tinyurl.com/3456u63k</a>	
On-On	:	The Running Horse	
		<p><i>Run Report 1959...The Running Horses...MICKLEHAM...4.10.2022</i></p> <p><i>This traditional English Coaching inn has been serving Ales for over 400 years, since the 16th century in fact, amazing eh ? This beautiful building reeks of history, painstakingly revamped by its new owners Brakspears in 2014, now offering 8 luxury bedrooms for London tourists to enjoy. We parked up in the dark off the main old London road, and a good group arrived ! Torched up, we set off up the hillside, and up and up the stony paths to somewhere near the top of Box Hill. Cannot continue accurately for you, as Dingaling took Wasser on a sideways detour through the woods all the way back to the church and pub. I expect the route from Lord Tosser, was the usual high standard, as always ! Now into the cosy warm old pub, we felt like we were celebrating a trip back from The Arctic ! EVERYTHING in the pub, has been put back, in exactly the same place, as the Locals remembered it, a very classy touch these days, very rare indeed.</i></p> <p><i>Countless bowls of chips did appear, thank goodness without all the cheese in this pub at least, and quite delicious they were too ! Spanish Mistress and Sodden Assets cannot keep away from us now, hurrah ! Pusseye back to guide us round the route, Pig Pen &amp; Tight Git too, Megabit and Kung Foo Panda. Naked Chef &amp; Top Man back from Kefalonia in Greece. Ard 'On Provocateur gave out succulent bags of fresh tomatoes, how kind ! Our evening was full of fun, Kebab smiling, Master Bates hand recovering now, and Dingaling met the 3 Wise Men and stayed till 10.30pm. Staff were great here, super friendly and helpful, a recommended stop this.</i></p> <p><i>Nettle Rash Andy was in town, but I did not manage to get any gossip from him, will try next week always something interesting to tell you, and often very funny too. A chirpy Chappy indeed.</i></p> <p><i>This Inn used to be called 'The Chequers' but in 1828, after a very famous dead heat in The Epsom Derby down the road, Cadland finally beat The Colonel in a run off, and the prize money, was £2600, equivalent to a quarter of a million today !! So 'The Chequers' name was changed to.....The Running Horses. Smart Marketing back in the day. On On Folks, see you All next week ! Wasser will entertain you from The Griffin in Claygate, KT10 OHW.</i></p>
