Sausage

@ The Herbert Wells, Woking

08/01/2019

A very Happy New Year to all our readers ! We started arriving outside the Pub in the middle of Woking town centre, looking forward to our Run. Sausage had gone through quite a lot of back pain recently, so big hurrahs to him for even managing to set this, no help from Chipolata as he is away at Uni still. We set off, torches at the ready, Megabit had decided to wear just shorts.....?? Flour on display, easy to follow, a nice weaving route all around the local area, and of course alongside the river Wey, for the On In. No scandals to report this week, I am afraid. Lots of regulars though, Great Bear, Kung Foo Panda, Top Man, Naked Chef, Tight Git, Doner & Mr Jack Russell running tonight, and our new regulars Mabel & Able, great to see you, plus a few returning, Pussy Galore & Legover have finally escaped from their busy lives, to entertain us again ! Even Dingaling made an appearance at last after his trip to Ko Samui in Thailand ! Also, Stuart, aka Fireman Sam, not seen for a while until tonight, welcome to you All ! Wurzel is also recovering from dodgy knees, great to see you too, and Master Bates back in town ! None of The Three Wise Men, namely Lord Tossler, Wasser and Ard'on Provocateur to be seen, or Mother Brown for that matter ! A happy bunch of about 20 made it to the cavernous pub, where chips did warm our stomachs, thanks Sausage for providing. Now remember, next Tuesday evening to come out running with us, and get fit for FREE, no need to pay the Gym ! We will be off to the delights of Esher, and Weston Green next week, so don't miss it, and charge your torches ! A mild Winter it is so far, we are lucky bunnies eh ? On On.....

TopMan & Naked Chef

@ The Marquis of Granby, Esher

15/01/2019

On this auspicious night when our glorious leader had just lost a parliamentary vote by the biggest margin in history we set off in to the wilds of Esher. From memory it was freezing as I only had shorts on, KFP and I got lost, there was some dodgy parking by Pussy Galore and some stretching in the car park.

Pig Pen

@ Oxshott Sports Club, Oxshott

29/01/2019

Oh, what a night, a colourful collection of covered up athletes were seen in a huddle in the middle of the Club car park, with snow already falling, and the thought of not running leaves your head immediately ! Off, in wagon train style, into the woods we went, not too slippery underfoot, we cracked on towards the railway line, and then away, we stuck together pretty well. Wurzel's knees somehow allowing him to run, good eh ? Pussy Galore & Legover back again, fitness rising very rapidly, Scottie Stuart back too, and Pig Pen, aka Matt created his usual intricate and clever route, wending all round Oxshott's luxury housing estates, and alleyways. Amusingly, as we reached the ON IN...Wurzel, Dingaling & Spanish Mistress could find no flour so getting a bit rattled, to be told by the Hare, 'oh the flour bag burst, and I ran out of flour' !!!! Back to the Clubhouse, firstly a top mention to dear All Up Front aka Cathy, who has run with us for about 30 years did the run with partner Simon, great to see you both ! Wish you did not live so far away. Absconders, who ducked the run, stayed in the bar, were Wasser, and Mable & Able.....tut tut indeed, forfeits to come !! The Nosh was top dollar, yet again, Jeff surpassing himself, and Maire, ably assisting the food servings, gave us all ample portions, except gannet Stuart, who wolfed down a second plate load ! Och aye the noo ! Another Weybridge Hash extravaganza, Lord Tossler was in town, and Great Bear, Kung Foo Panda and Master Bates, Hash Cash too. Naked Chef very kindly collected all your monetary contributions. Kebab, Doner & Jack Russell, all braved the weather. The snow did not settle, so a relatively safe drive home for All. On On. Come and join us next week, it is invigorating for sure !

Top Man

@ The Royal Oak, Surbiton

05/02/2019

Really a suburban run you would call this, but never the less a nice change from the woods. It is getting a bit warmer, but still very wet, easier to run on than snow.

Top Man & Naked Chef conjured up this one, and made it very entertaining indeed ! We set off towards Tolworth then doubled back to Berrylands, down past the Surbiton Lawn tennis grounds and on towards and over the steep railway bridge as you approach Surbiton Station. A clever double back again, and then past the Oakhill hospital grounds, on top of the hill into a little park The Wood, and then back up again, and across Surbiton Hill, almost to Long Ditton and back down the Hook road, a cracking six miler to loosen the limbs, bravo Hares !! It's a nine from him. The pub, well, sprawling, a bit dark in décor, but keen friendly staff eager to sell us pints, and the chips did come too, woo hoo. Gossip tonight, well as Dingaling was mentioning Heinz baked beans with bangers, Legover said 'The factory is in Kitt Green, Orrell near Wigan, her home town, and is in fact the largest food processing plant in Europe, and the largest H.J.Heinz facility in the World !! Producing more than one Billion cans of baked beans per year ! Pussy Galore let slip, Galaxy was right up there in her tasty tucker choices, and Dingaling agreed. Poor Megabit was a bit knackered having flown up to Edinburgh and back today for the run, poor lamb. Ard'On Provocateur, and Master Bates are bracing themselves for the whirlwind that is coming on Friday night, Dingaling's Panto extravaganza.....Robin Hood and The Babes in The Wood being performed this weekend to sell out crowds in Kingston upon Thames. See if they survive until next week eh ? Lord Tosser, was trolling out the verbal tonight, you have to be careful where you sit. Mrs Robinson put in a Celebrity appearance, and Kebab and Hash Cash Malcom. Private Parts informed us his dear son Pocket Rocket will be 18 in a couple of weeks !! Happy Birthday to You ! Come on out next Tuesday, no excuses, you will experience another fun Weybridge Hash ! On On....
