| <p><i>Run Report 1996...The Cock Inn...HEADLEY...20.6.2023</i></p> <p><i>What a delight this run was ! Our Hare, Tight Git aka Giles, chose this location very well, nestled as it is, on the other side of Box Hill, we were given many spectacular views across the North Downs, as we ran up and down the hills. Good conditions, a bit humid, but hey it's Summer ! A good turnout tonight, along with humorous Dhitri again, who loves the countryside, and a new Virgin Hasher, Ariel who joined us for the very first time ! A warm welcome to You both ! Off into the fields, and lots of farms, and horses, and even an Ass, or was it a Donkey ? We all had a wonderful route to run around ! Before the Norman Conquest of 1066, this manor was held by Countess Goda, whose brother was....King Edward the Confessor, who ruled England from 1042 – 1066, and was crowned in Winchester Cathedral. Tonight, also Casey was back, aka Finger Licking Good, who lives locally, great to see You again ! An 8 Kilometre or 5 mile run tonight, with checks. Back to the pub soon after 9pm, we parked up at some nice high tables inside, with our beers, which we drank thirstily ! Three Wise Men, Lord Tosser, Wasser and Ard'On Provocateur came and conquered the beers anyway ! See Top Man and Naked Chef, next month re your 2000 T Shirt Orders, to be paid please.** Megabit was chirpy, Pig Pen Matt, cheeky as ever, and Dingaling telling us he was taken to London as a surprise by his daughter Anna, to see the quite fabulous, new Comedy Musical.....Mrs Doubtfire, based on the great Film from 1993, starring Robin Williams. This new production in London was easily, it's equal, great singing, and choreography too. Go see it, at the Shaftesbury Theatre, quick, 1500 seats !</i></p> <p><i>Thankyou Meriel, Casey &amp; Alan for all the wonderful photos, now on our Facebook site, from last night ! This time of the year is GREAT for running, do come and join us, it is like being on Holiday ! Next week, Great Bear takes us out, from The Wotton Hatch, near Dorking. RH5 6QQ, do not miss it, another beautiful Forest trail ! On On. Through the village of Westcott, coming from Dorking, pub is hidden away on the left, park inside</i></p> |   |                                    |                                 |

*Run Report 1997...The Wotton Hatch...DORKING...27.6.2023*

*This delightful pub restaurant, aside the busy A25, set on top of the hill, has been a pub for nigh on 300 years, originally belonging to Fullers, then sold on to Bass in the 1990's. A very stylish location for Great Bear aka Rupert, to challenge us with a mighty 10K Summer run , that had us out there for nearly an hour and a half. Beautiful scenery, some very steep hills, but what the heck, we just got fitter eh ! Well worth it.*

*Firstly, it was great to see dear Jeremy, last week at Headley, please DO come and visit MORE often ! Now, tonight, we roared off into the dry grass, across large rolling fields, and down hillsides a lot !*

*Incredible to see, in daylight for a change, Andy brought both his sons Alex 13, and Pocket Rocket now 22, although Dingaling accidentally said 16 !! Whoops, errr, slightly out ! Blatchford Downs, near Abinger Hammer, was one of the treasures tonight, along The North Downs Way. Super high viewpoint across the hillsides, and into the valleys below. This area is dedicated to Alan Blatchford, of the Long Distance Walkers Association. Also tonight, we ran past a few Second World War Pill Boxes from 1939 – 1945, as they were called, concrete Machine Gun posts, set in the top of the hillsides. As we ran along the beautiful forested hilltops, we ran past The Witches Broom Tree, in Abinger Roughts, which is up to 300 years old, a Beech tree of some magnificence, popular with children and bees too ! It was up for Tree of the Year in 2017.*

*Back to the pub by 9.30pm, thirsty as hell, we got stuck in, nice big long tables in the garden for us All. Gossip going well tonight, Andy, our Army man has retired, and wondered what it would be like ? Nice, is the answer, just keep a bit busy. Louise too, then maybe Giles next ? Dhriti, our new Girl on the bloc, may have inadvertently given herself, her OWN new Hash Name at the AGM.*

*We asked her what her favourite food was, and she said ' Polish Dumplings ' sounds pretty fly to me, said Dingaling !! Ariel did very well tonight too, but may need to buy a pair of running trainers to protect his feet. Sausage was in town, Kung Foo Panda back from 3 weeks holiday, yahoo !*

*Pig Pen Matt, Pusseye, aka Meriel always a happy presence, meanwhile Louise & Geoff are on holiday. Master Bates Briain, a very Happy Birthday to YOU ! Can we see you please ? Gorgeous photos by Alan,*

on Facebook, many thanks ! Next week, see YOU please at The Armstrong Gun in Victoria Street, Englefield Green. TW20 0QX. Nettle Rash, aka Andy will entertain you ALL ! On On

*Run #1998 Englefield Green run report*

*A hardy group of hasher turned up for this mildly moist run around the learned turf of Englefield Green. Those that arrived early were greeted with a cursing hare who'd regaled tails of disintegrating bags of flour, falling over, twisting his ankle, lost his glasses (which he later found in his pocket) and was wetter than a cucumber in a convent. So with a number of notable absences this compact pack set off in the somewhat monsoon conditions. Past Royal Holloway, through Simon's Walk and then into the wilds of Egham. There was an enforce stop at Prune Hill due to the level crossing being down for an eternity (it appears the drivers/guards were actually working rather than being on strike). Down a back alley emerging into Egham and back up the hill to the On Inn with the hare running us past a number of pubs. Tease. A remarkably short run for our ultra hasher. Once back and dried off a number of hashers helped/hindered the locals participating in a quiz. For the indigenous Kiwi's among us they may be interested to know that the Armstrong gun was first used to quell an uprising resulting in a British victory (shame we can't do the same in rugby/cricket). Sausage completed the full distance and had proof with 8000 plus steps. Some of the elder statesmen turned up just as boxes of chips with and without cheese arrived. Byfleet next week to party like it's 1999*

*Run Report 1999...The Queens Head...BYFLEET...11.7.2023*

*A delightful Summer's evening started well, as we all turned up, in the car park of this traditional family pub, on the main road to West Byfeet. Nice cool breeze greeted us, as we set off, lovely.*

*Our route, set by Kung Foo Panda aka Neil, who has form for setting very good Runs, took us of course, alongside the River Wey wherever he could, and also historically, onto the now overgrown bits of the original Brooklands Grand Prix track, the very steep banking dating back to 1926 ! YES.*

*It was a great route, see our resident Photog Meriel's gorgeous photos, and Alan's too, all on Facebook, of course ! Beautiful Railway arches, a photo of Concorde inside Brooklands Museum grounds, and we even saw the Sunset Steam Express, out on its regular Summer route on Tuesday evenings, from Victoria, through the Surrey Hills, to Guildford, and back to London ! Tickets from £69 p.p.*

*Back at 9pm on the dot, this beer house has been here since 1841, when John Chuter, his wife & sons George & John set up shop. Very sadly 47 years later, on 12 January 1888, George Chuter now 67 years old was brutally murdered in his cottage in Chertsey road. A generous Reward of £100 was put up, but his murderer was never caught ! Dangerous times eh ?*

*Back swiftly 135 years ahead, we had a big gang in this pub, everybody almost, except Wurzel, Mother Brown & Giles were here ! Nettle Rash Andy brought his dear son Billy, now 18, it is eight years, since he first ran with us ! Wow, great to see You back !! Also, new Visitors, Bolshy Bastard, who told Dingaling, he used to be called 'One Eyed Jack' cause he was out on a run, and cracked his head on a boulder, cause he was not looking !! Whoops. 'Deli Boy' also joined us from R2D2 Hash in Hampshire, where Lesley & Chris now run occasionally. A very warm welcome to You too !*

*Thankyou to Neil for all the chips, and cheesy chips, supplied for hungry runners ! Wey, hey ! Great to see Master Bates, aka Briain, back again, looking very well, Lord Tosser, Wasser, Ard 'On Provocateur, Sausage, Louise & Geoff back from Las Vegas, celebrating Max's 21st Birthday ! Woo hoo ! The Machinist here too, Great Bear, everybody, and me Dingaling writing this.*

*Next week, is HISTORY.....WEYBRIDGE HASH HOUSE HARRIERS .....2000th Run since April 1976, the very FIRST Run was organised from Newlands Corner, a number of Plessey Electronics staff, including Richard Piercy, who IS going to JOIN us next week, as we go BACK THERE to celebrate with a Picnic, bring your own beers though, and any Food you wish to eat or share ! Be there, Newlands Corner Car Park, Shere Road, GU4 8SE. It will be fabulous fun !! Get there EARLY, 7.30pm latest to park your car !! On On at 8pm. Located, 4 miles east of Guildford Town Centre.*

*Up on the hillside, four miles east of Guildford, Weybridge Hashers and all their visiting Guests were in for a right treat, on this historic night. Many runners turned up, past and present ! Agatha Christie disappeared from exactly this spot in December 1926, but hopefully we will not lose any of our pack tonight ?? Incredibly, two runners who were on Run no 1 in April 1976 were here as honoured Guests tonight, Chris Manley & Richard Piercy, who pleasingly played his horn as we were running through the beautiful hilly woodland route, created superbly by Matt aka Pig Pen !! Loads of lovely, much missed ex regulars, now as Visitors tonight including Kerry, now a Life Coach, with her dear friend Tracy aka Pussy Galore, our cat expert, she has one called Treacle ! Wonderful to see you both ! Mel, always nice to see You, normally in some beautiful Mediterranean beach location aka Lady Chatterley joined us, hubby Simon still working in Bristol ! Kimi & Neil, Annie & John, who visit us from time to time, great to see You All ! Also dear Lesley & Chris from R2D2 Hash in Hampshire, who used to run with us every week, ten years ago !! Dear Friend Helen came too, along with their Golden Retriever puppies, gorgeous ! Wasser and Wurzel sadly were not here, due to Family celebrations. For you tree lovers, like me, the oldest cohort of Yew Trees, here at Newlands Corner can be carefully dated back, wait for it.....950 YEARS.....to the time of the Norman Invasion...wowsers, yikes !! There is also a 'Black Death' cohort of Yews, which were planted after 1348 AD, a mere 650 years old !!! And Athens aka Joe, back tonight, as Sausage told him, about tonight's historic Run ! Wonderful to see you again, said Dingaling ! Rebecca & Levi were back, along with her Dad Malcolm, great to see you too ! Body Shop joined us, a Surrey Hasher, good to meet You ! Jeremy too, always a treat, but not Sandra ! Andy, Pocket Rocket and Alex, gave us some sprinters through the trees ! Anna aka Fish & Chips from Dorking came too, great to see You again ! A wonderful collection of past and present Grand Master's were in attendance, to keep us in check, Briain, Trevor & Rupert of course. Mother Brown aka Ron, was here too, but on holiday next week ! Huge thanks to Louise & Geoff, and Linda for organising, and setting up, and clearing up this delicious Picnic evening, cheeses galore, fresh baguettes, tomatoes, nibbles, crisps, flapjacks, yummy cakes, and trifle too, and we all brought our own beers, to celebrate 47 YEARS of WEYBRIDGE HASH !!! Great Bear asked us All to raise a glass to 'Absent Friends' .....three cheers ! This Social Club with a running problem is in fine fettle for the future ! Marvellous to see you Mark as well, with Linda, back from your French trip ! Do come and join us, anytime, get fit for FREE, every Tuesday night ! Next week, we are in Peaslake, more beautiful Surrey Hills countryside on Tuesday 25 July, entertained by our Hare, Wurzel from The Hurtwood Inn, GU5 9RR.....So see You All there ! On On.*

***Run Report 2002...The Hurtwood Inn...PEASLAKE...25.7.2023***

*You are pleased to know, this fine establishment we are sitting outside was erected 103 years ago in 1920 ! This hive of village life, situated at the end of Walking Bottom, now boasts 15 boutique bedrooms, and a superb Restaurant to sample, so come on down ! Mountain Biking is also very popular around here.*

*Tonight started as a Comedy of geographical errors, not something Wurzel, our Hare is too common with. We waited in one Car Park, while our patient Hare waited in another, a third of a mile away, up the hill. He came to get us, and Pusseye kindly laid a flour trail through the trees to the correct starting point. Off we jolly well, into the woods we go, and up and down, and round and round, You could easily get lost in here, without a drink in your hand ! Tonight we had a Virgin Hasher, Tracy brought Family, Francesca, visiting from the South of France where she lives, a warm welcome to You ! Andy & Billy were back from a Cornish holiday ! Mark & Linda back from 6 weeks in France, and Spanish Mistress said' ' Can Rupert tell his Bats from his Robin ?', when he spotted one, good question eh Folks ! Dhriti was back and healthy, and now given her NEW Hash name...'Polish Dumplings' which she thinks are delicious, so there ! Told ya. She was also advising Dingaling on whether to watch...Barbie, Oppenheimer or Mission Impossible – Dead Reckoning Part One, this weekend ! What a choice eh, daughter Anna has the final say.*

*This run roared on till 9.20pm, and then we all sat outside, Kebab feeling the cold, and Dingaling needs to put more clothes on...not in Thailand now, sonny ! The bar staff were good, Darius and Sahara were looking after us well, her Mum is Iranian, her Dad from Somerset. This is a hidden away spot down single track roads, felt like we were in Hobbit country. Naked Chef, Top Man, Kung Foo Panda, Pig Pen Matt, and Sausage were all here, and Wasser with Lord Tosser, brought some gravitas,...maybe.*

*WH3 moves to a cleaner Millenium.....WH3 commenced it's tri-Millenium when our revered GM undertook a purification in the Holy River Thames at Laleham on Saturday night, as All celebrated our 2000th Run. He emerged from the water, after a full immersion, the intense blue of the Truly Blessed. He was carried to the sacred Barbie fire in the corner of the tented pavilion for defrosting, and a return to this earth bearing his normal beatific smile !!*

*Next week, we are King Fishing in Chertsey, so see You All there, The Kingfisher, Chertsey Bridge Road, KT16 8LF. Megabit will guide you round, but not into the Thames, unless you are lucky ! On On.*
