Hare		Spanish Mistress & Soddan Assets	VIRGINIA WATER
			
Start		The Wheatsheaf London Road, GU25 4QF	

***Run Report 2004...The Wheatsheaf Hotel...VIRGINIA WATER...8.8.2023***  
*This latest version of the original Hotel was first built way back in 1768, as a Turnpike Inn, and the landscaping and development of the lake and Windsor Great Park, which was carried out by King George the Third in the late 1700's. Now a beautiful imposing place to stay with 17 luxurious Rooms and Suites to choose from. Turnpike, as you may know, means a Toll Gate where you paid to get through the turnstile and continue on your journey.*  
*Well tonight's journey started off pretty wet and dark for early August, but we wrapped up with waterproofs, and our kindly Hares, Spanish Mistress & Soddan Assets were keen to get us on our way, to be back by 9pm ish ! Off into the woodlands we went, wonderful, the smell of the tree bark, and ferns was great ! Sawdust was the preferred choice laying the trail, very nice too. The Giant Sequoia trees were a delight amongst the many beautiful trees we ran past this evening.*  
*William Lobb was the great British Plant Collector who in 1852, brought back the seeds and cuttings from San Francisco, to introduce the Sequoia to British soil, and aren't we lucky eh ?*  
*Tonight, Mother Brown was back from holiday, Master Bates here too, Wurzel came with Calamity, Tight Git Giles, Pig Pen, Great Bear, Sausage, Kebab, and Kung Foo Panda. Polish Dumplings aka Dhriti is off to Denmark next week, lucky lady ! Annie & John visited us again tonight, also Josh was back, plus a warm welcome to Henry, great to see You again. Top Man & Naked Chef were in glorious technicolor, oranges & lemons ! Lord Tossler, Wasser, & Ard 'On Provocateur joined us in the pub. It is a wonderful setting, running round and through these woods, and back home past the lake too ! Tonight we ran past the 100ft high, Totem Pole, one foot for every year, given by the people of Canada as a gift to Her Majesty, Queen Elizabeth the Second, in June 1958 to celebrate the centenary of British Columbia. Next week, Pusseye aka Meriel will treat You to a run round from the Worpleston Place Hotel, on Perry Hill no less,*

***GU3 3RY. I say ! Best give your trainers a polish eh ? Don't miss it ! On On. Oh yes, thanks for the delicious chips tonight from our happy Hares !***

Write a hash run report for [www.veybridgehash.org.uk](http://www.veybridgehash.org.uk) for tuesday 15th Aug 2023 which includes a fact about perry hill, Worplesdon, surrey. The run was set by Meriel and we run around the countryside from worplesdon place hotel. Nigel wasn't very happy with the run

### Run No 2005 15th Aug 2023 Worplesdon

The Weybridge Hash House Harriers met at the Worplesdon Place Hotel, stunning country pub and hotel in Guildford, Surrey, for a trail set by Meriel. The hotel has a peaceful yet convenient location, just 2.5 miles from the A3 and only 7 miles from the M3. It also has a beautiful swan lake and two acres of landscaped gardens.

The trail started with a check near the hotel entrance, where the hare had cleverly hidden some flour under a flower pot. The hashers soon found the right way and followed the path along Perry Hill, a road named after a local family who owned land in the area since the 16th century. The trail then crossed the busy A322 and entered the Worplesdon Golf Club, where the hashers had to be careful not to disturb the golfers or to get hit by any balls.

The trail continued along another footpath that ran parallel to the railway line, where the hashers could see and hear the trains passing by. The trail then looped back to the A322 and followed a footpath that led to the Whitmoor Common, a nature reserve with diverse habitats and wildlife.

The hashers enjoyed running through the open heath, the shady woods and the boggy marshes, admiring the views and the flowers. They also encountered some friendly horses, cows and sheep along the way. The trail had plenty of checks, falses and back checks to keep the pack together and to challenge the front runners. The hares had also marked some interesting points of interest, such as a pond where dragonflies were buzzing, a bridge where a stream was flowing, and a bench where a plaque was commemorating a former hasher.

The trail returned to the hotel, where the hashers regrouped and thanked the hare for a lovely run.

The circle was held in front of the hotel, where the RA awarded down-downs to the hare, Meriel, and her helpers, for setting a great trail; to Dave, for getting lost and taking a shortcut; to Sue, for falling into a ditch and getting muddy; and to John, for finding a golf ball and keeping it as a souvenir. The hashers then sang some songs, told some jokes, and enjoyed some snacks and drinks.

The hash ended with a cheerful rendition of "Swing Low, Sweet Chariot", followed by an announcement of the next run. The hashers then dispersed, looking forward to meeting again next week in Chobham.

Run	:	2006	22 <sup>nd</sup> August 2023
Hare	:	Kebab 	Chobham
Start	:	Horse and Groom micro pub, 30 High Street, Chobham, GU24 8AA	

***Run Report 2006...The Horse and Groom...CHOBHAM...22.8.2023***

***The Summer of '23 continues to surprise and delight with Weybridge Hash, yet again ! Tonight an innocent meet outside a tiny shopfront in Chobham high street led to this. Our smirking Hare, Kebab aka Alan, sent us off in all directions...I've been everywhere Man.....would be appropriate for this 8K Run. The pack of 20 stayed together, visitors tonight, Henry was back, wey hey ! Sue, aka Queen Camilla graced us with her presence....Yes Ma'am !! Tracy aka Pussy Galore, getting superfit, running EVERY week now ! We disappeared into loads of farmland, little forests, and only a very few horses ! Megabit, Topman and Naked Chef, Great Bear and Kung Foo Panda, and ALL the Wise Men, were in town tonight to enjoy this bash. Wurzel, upon being asked in the pub afterwards, how he was ? by Dingaling .....said I am knackered again, but then to our GREAT surprise, told us ALL in the pretty little secret back garden of the pub, in the twinkly lights, that he HAD another KNOB !!! Shock, worry, and amazement, and then he proceeded to point to it !!! I have to tell You ALL, it was.....way down on his KNEE ! I was nearly choking on my honey and mustard sausages !!! Dingaling was lucky enough to sit next to Queen Camilla and Lady Chatterley aka Globe trotting Mel, great to see You both again ! And Wurzel is NOT seeing any Doctors.***

***Alan, paid a small fortune, to ask Andrea and Lauren to lay on this delicious spread, sausage rolls, slices of ham, salamis, green olives, chicken bites, pitta bread slices, mini pork pies, tomatoes and lashings of yummy, squidgy chips, hot and ready to be devoured ! It was magnificent, no one went hungry, even Len could NOT fill his face ! Mother Brown, Master Bates, Wasser, Lord Tosser, all had their fill. What a bonus, a FREE***

***Banquet, in a cosy super nice micro pub, only been open between Covid lockdowns, since 14 July 2020. We wish dear Giles very well, apparently, an injured Achilles tendon. Pig Pen Matt had his fill, careful, and all was well in the Land of Weybridge Hash ! DO come and join us next week, Wasser to entertain You ALL, from Elm Road in Kingston. The Wych Elm, KT2 6HT. Do NOT miss it....Autumn is coming fast ! On On. See Ya !***

Run	:	2007	29 <sup>th</sup> August 2023
Hare	:	Wasser	KINGSTON
			

Start : The Wych Elm, Elm Road KT2 6HT

***HASH Run Report 2007***

***In solidarity with London Hashers, last night's run involved a significant trek inside the M25 to Kingston to mark the start of ULEZ extension.***

***The RA stopped the rain so we set off from the Wych Elm (ask Nigel for the history of the establishment). John the hare sent us off unaccompanied in the direction of Richmond Park, because he's old (his words). Once we had negotiated a fleet of bicycles through the side gates, and into the park, the pack were welcomed by the local wildlife.***

***Some very tame deer waiting near the gates, posed for photos. It's not quite rutting season, when the large males will roar, bark and clash antlers in an attempt to fight off rivals and attract as many potential mates as possible, so it was only the hashers who were calling out as they ran.***

***The hashers proceeded into the deep of the park, searching high and low for flour. They didn't find too many blobs, but they sometimes happened upon a new check or two.***

***After a considerable time searching at one check, there was momentary hope of an on called, but it was only an owl imitating the hash call.***

***Sensibly Louise called the group to a regroup, and called off the search. A plan was made to return to the on inn, with Rupert pointing in one direction and Geoff and the rest of the pack pointing in the other. We all opted to follow Geoff.***

***Geoff led the pack comprising Rupert, Neil, Andy, Louise, Ariel, Alan and Meriel safely back to base. (Some loyal hashers were missed; they were probably making a political gesture against the ULEZ fee.)***

***Unlike the rest of the pack, Ron successfully found the on inn. Len arrived at the pub about the same time as the pack, and Briain, who was the only person to find the whole trail, came in triumphantly some 20 minutes later. Just in time for chips!***

***Regarding the ULEZ, if you have an older car, check it complies to avoid a fine. You have three days to pay your £12.50! The hare had recently crashed his older car, so didn't have to worry about any extra charges.***

***Join us for more rutting and hoots next Tuesday 8pm when Trevor sets the run from the Toby Carvery, 45 Cheam Road, KT17 1QZ***

**On on PE** 🏃

Run	:	2008	5 <sup>th</sup> September 2023
Hare	:	Lord Tosser of Weybridge 	Ewell
Start	:	Toby Carvery, 45 Cheam Road, KT17 1QZ	

***Run Report 2008...Toby Carvery...EWELL...5.9.2023***

***Each week, this is becoming a bit of a special Party, since our 2000 th Run. Tonight we turned up in the sprawling car park of this very popular chain of 158 Pub Restaurants across the UK, run by Mitchells and Butler since 1898 ! Yes, really, before planes took flight, and Queen Victoria was still on the throne!***

***A hot steamy night was ahead, oh stop it, oh yes running, that was it. We saw Lord Tosser, our regal Hare this week as we left the pub, and the flour was found and followed, unlike last week apparently in Richmond Park, after a rain storm !! A good pack, Tight Git Giles was back, from his New Forest holiday, looking like a chocolate Brownie ! Smiling Pusseye aka Meriel grinning ear to ear, like she has won the Lottery, brilliant eh ! Mother Brown, Wasser, Great Bear, and Kung Foo Panda told me it was 8.8 kilometres, so 5.5 miles in fact, in just over the hour mark, ideal. We disappeared up onto beautiful headland overlooking the London lights, through woodlands galore, across Farmland and back into the woods to get home again, quite hot and wonderful ! Dingaling, just 7 weeks from Thailand !!! Gossip was good tonight, Henry was told to follow that cow, and he said ‘ There is not much difference between Alan and a cow, is there ? Well, well. Then back in the pub, with luxury hot snacks provided, much laughter as Dhriti told us that Alan, had just the right shape to be the back end of a Camel in Pantomime !! Either she has a keen eye, or Alan’s present vocation, is in jeopardy !! Also, Trevor was told, what an excellent Run he had set, and his reply was.....’Well, of course ‘. Ard ‘On Provocateur kindly joined us, and Top Man & Naked Chef are off to Cornwall, woo hoo ! We finished our run, across the delightful open grasslands of Warren Farm, run by The Woodland Trust. Next weeks Run, not up on our website as yet, but it will be, the ever friendly Briain, aka Master Bates, and the Pub, somewhere in New Haw, or Addlestone. Check out.....[www.weybridgehash.org.uk](http://www.weybridgehash.org.uk) over the next few days ! On On Folks ! See ya there !***
