1730**TopMan & Naked Chef****@ The New Inn, Ham****20/06/2017**

A humid night, as we congregated on the edge of the Common for this Summer Solstice run. Our illustrious Hares Naked Chef & Top Man had some nice tricks up their sleeves with an adventurous route. Starting with Ham Common Wood, and then into Richmond Park. First surprise, we did not go towards Richmond as usual, but a clever route up through the ferns towards the delightful Isabella Plantation, full of beautiful plants. Eventually we wound our way back, past a few deer, and down the hillside towards Petersham gate, and out across the road into the alleyways through Petersham & Ham, running through some of the walkways surrounding Ham House originally built in 1610, and extended in 1670, Britain's most complete 17th century house which houses a large collection of Dutch Art, and famous textiles. We ended up back at the pub, gasping for Ale & food too, and service was pretty quick, many staff here, friendly too. We were given a delightful place in the large garden area, with many tables. The New Inn was newly built in 1756, and had a great atmosphere, Lord Tosser trying to tempt Dingaling into chatting up a happy group of ladies beside him, but he was not having any of it ! Tonight we found out Pocket Rocket's real name is Tom, Dad Andrew had not told us. Tom brought his friend Will, who lives in Paris to join us, and they thoroughly enjoyed themselves. Ard'on Provacateur joined us in the pub, as he usually does for a good chat. Kung Foo Panda, Great Bear, Kebab & Wasser, Stuart all were having fun, Doner dressed in yellow this week, very nice ! Megabit introduced us toName the Plane game ? good fun it was, thanks ! Great Bear was caught on camera, playing his stuff the chip down the gullet game....yum yum... A super Summer night was had by all, care of our good Hares, who treated us very well.

**1731****Master Bates****@ Chateau Briain, New Haw****27/06/2017**

Oh, the joys of being a Weybridge Hasher ! First you reluctantly park in the pouring rain outside an alcoholic wine shop, then you ponder....What the hell am I doing here ? You regroup, trainers on, waterproofs on and set off, full in the knowledge, that the flour will all be washed away, except under the trees and so it was. Blindly guessing the trail, running past All Saints NewHaw.....said a prayer and went left towards the river Wey. Found a bit of flour, gave us a chance, we sloshed our way around the route that we could find, and eventually found flour along the Basingstoke Canal coming in , then under the M25, and back along past the many moored canal boats, brightly painted with names such as.....Clarence, Bumble Bee, Go Placidly, and we did just that, with the On In, still marked !! The rain still coming, we changed and set off for Chateau Briain, even Dingaling knocked on the door of a nearby house, getting a friendly lady out of bed ! Oh erLord Tosser said 'You are supposed to get them IN bed !! Quite. Beers in hand, we entered into the world of Briain, cooking on the go, very kindly offering us all Mexican rice and Turtle beans, Chilli with soya rice, and fresh peppers and other colourful vegetables. Mmmmmmmmm....delicious ! Next the floor show, Master Bates on the piano tickling his ivories for us, in just a silk dressing gown ! If you missed this extravaganza, DON'T miss next week's BBQ and AGM....On On. Swimwear Bikinis most welcome.

@ OHMCC, Ottershaw

04/07/2017

It was a humid night, out in the woods bordering Chobham Common but Summer is here, and boy are we going to enjoy it ! This is such a lovely area, woodland, heath and bog, with Silver Birch trees everywhere we ran, and our Hare Worzel tricking us at every turn, and yet magically, kindly arriving, to guide us in the right direction, every time ! This is the largest National Nature Reserve in the South East of England, and one of the finest examples of lowland heath in the World, with frogs, toads, adders, grass snakes and sand lizards. Visitors tonight, were Shiva from The Lion King, and she runs with Barnes Hash. Then we had a lady all the way from Dubai, Andrea keen to join us, 2Fingers Max is her Hash name.....she is a Physio.....and then we had a random Hasher who was running on Chobham Common, and saw the flour, and with her Dad being a hasher, Rebecca thought she would join us, her Hash name is Bare Bear ! It was a pleasure to meet you All, come again ! A cracking run, expected of Worzel of course, then off to Ottershaw and Hamm Moor Cricket Club for our anticipated AGM and BBQ bash, thanks to Megabit Simon !!

Food galore, dear Doner Ruth cooking bangers, chicken breasts, and everything. Delicious plates of burgers, vegetarian, and tasty potato salad, just great ! Afters, Baklava, sweet dessert pastry, with syrup or honey, plus Soddan Assets Mark made a Banoffee pie, and Spanish Mistress Linda's Mum made a yummy chocolate cake.....oh my goodness ! Then, verbal festivities started, with Wasser inviting out individual hashers to be praised or scolded according to the crime committed or otherwise during the year. Each individual had to down a cup of beer, while we sang, badly, must learn the words, boys and girls !

A whole host of Hashers were given their official Hash names:

Stuart ...our new boy is now to be ..Colonel Knob Cheese !

Katie.....smiler is henceforth to be.....Mrs Robinson !

Andrew.....our World wise traveller is.....Private Parts !

Tracy.....our Bond Girl is now.....Pussy Galore !

Trevor.....our esteemed exGM..Lord Tosser of Weybridge !

Dave.....our smiling Thameside resident....Plat du jour !

Charlotte.....Simon's betterhalf.....Nagabit !

Finally, our huge thanks go out to Ruth, Louise, Linda & Mark, and Linda's Mum, plus anyone else who kindly cooked us something special, it was delicious.....a feast to be proud of ! On On....you lucky Weybridge Hashers !

Tight Git

@ The Cock Inn, Headley

Guest scribe – Colonel Knob Cheese

In absence of our fair weather friend dingaling, the colonel has been volun-told to write this evenings report! Well what can I say.....I'd love to say it was a dry sunny night but it couldn't have been any further from this. A mere 16 hardened hashers tipped up to the car park of the cock inn, in wet weather gear, I opted for the vest! Tight git set a fantastic run for us tonight and surprisingly we never lost the trail once. Crampons and canoes rather than running shoes probably would have been more suitable tonight! And as Mrs Robinson said "running in the rain makes us feel alive" A great mix of terrain up and down hills constantly and we even saw roman snails and a deer which didn't enjoy us interrupting it's quiet evening with the constant chants of "are you" and "on on"! After the on in the car park turned into a scene worthy of a new Diet Coke advert with semi naked hashers for all the locals to see, worzel treated us to his pale pasty white naked arse.....I'm scarred for life lol See you all in Teddington for dingalings run next week....."on on"

Guest Scribe – Bare Bears

My 3rd hash with Weybridge and I've been nominated to write the hash report!! Poor Bare Bears! Thank you for having me on another hash! Hash number 1734.....laid by hare Ding-a-ling....5 miles through beautiful Bushy Park....oh deer! Seventeen keen hashers ran a beautiful green hash through Bushy Park with various encounters with herons, herds of deer with furry antlers and bouncing bunnies in the bracken! Mrs Robinson was trying out her new bra tonight ...allegedly it is very supportive! Top man was hidden in the bushy bushes capturing photos! Pocket Rocket and Private Parts caught the hash up midway after "someone" put the wrong postcode in the GPS! Pocket Rocket was displaying his war wounds from falling off his bike yesterday whilst sporting his "coming out

trainers"! Pussy Galore was suffering from a sore buttock until Private Parts helped out by examining her flexibility....apparently he is sports injury trained! ;) Spanish Mistress said bollocks to the real trail and decided to make her own....getting caught up in the fishermans tackle.....giggidy! Col Knob Cheese learned the hard way not to eat a kebab before a hash and paid the price by not always being at the front as per usual and not being able to fart safely! Sodden Assets was particularly disappointed not to have seen Diana's fountain which i think can be explained by his lack of glasses! A nice refreshing sprinkle of rain brought us into the The Adelaide pub where there were buck all chips! Thanks to the hare Ding-a-ling for laying the trail and well done to all hashers including Master Bates who managed to not fall over!!
