1600 Kebab @ The White Horse, Shere 23/12/2014

If you go down to the woods today, you're in for a big surprise.....and I am not talking about Dingaling dropping his trousers !The locals of Shere obviously hold a grudge and they took the opportunity to over react to commoners despoiling their land. Jeeves ! get the shotguns and disinfectant out. What would otherwise have been a perfect pre-Christmas loop by Alan, was slightly marred; but as they say, every cloud has a silver lining and most of the pack actually ended up on the route Alan had meant to set, leaving the FRBs looping round Farley Heath. Everyone who's anyone was there, and an early devious loop through the tourist part of town threw the FRBs off balance but they soon recovered as local knowledge kicked in. Some back passages and big wood soon followed and a hearty pile of pies and mulled wine gave the pack some Christmas spirit and more than made up for the mid-run events. The pack then finally retired to the White Horse hostelry for some excellent ales and card swapping. Good job Alan, it was the Vicar of Dibley Christmas special ! let us hope that the landed gentry can have a peaceful 2015, Guv. !

1601 Simon @ The Golden Grove, Chertsey 30/12/2014

Slightly chilly night, but that did not put off a large pack of eager runners no doubt looking to run off their Christmas puddings ! It is a pretty little pub this, and right next to St Ann's Park which is where we rather swiftly found ourselves, great terrain, lots of trees, and some shiggy too. We did not find any of Santa's reindeer, must be off on their hols. We slip slided all over the local area, and we were back smartly at the pub come 9pm. A Christmas bonus, me thinks. Visitors tonight were GB and his son Pocket Rocket who joined us, we hardly saw him ! They have moved here from the Kennet Valley...you are very welcome. Simon and the friendly pub staff once they got the beers sorted, laid on bowl after bowl Of delicious chips. Sausage cheekily saying 'Was the run that bad ? ' Well we can tell him, it was bleeding marvellous, and our Hare is moving in the quality end of run setting so there ! Much chatter was had by all, and Pig Pen was there, Wasser , and Molesey Matt, and our Cup runneth over with joy, even dear Call Girl ran with us tonight, hurrah ! See you all again soon.

1602 The Great Bear @ The Victoria, Oxshott 06/01/2015

A goodly gathering for so early in the New Year, a clear dry night, with a starry sky to ponder on. Visitors tonight, great to see Cathy & Simon, all the way from nearly Portsmouth ! Also GB was back with us again, keep coming. The Great Bear took us in the opposite direction to normal, a welcome change through the seemingly endless collection of £5 million pound houses, where do they get the money from ? Giant hedges, giant gates and giant trees, but an education on money spent.....keep working hard and keep happy too ! Once we had finished doing the Postman's route, we had a real treat, off into Oxshott Heath, shiggy wiggy and a cracking route all round the whole of Oxshott Woods, bravo Rupert, and six and a half miles ! Pub time and a warm fire burning INSIDE the pub, Kerry & Tracy were back in town and we congregated round the bar (except for Len, Wasser, Mother B & Rupert) and it was PRETTY hot behind there too, some of our Hashers were struggling to speak !! Good to see Pig Pen Matt, Mother Brown and Mark & Linda, plus it was Alan's Birthday on 5 January and Ding a Ling's 7 January, and next week.....Ruth's. Keep on running, it's great for you !

1603 Sausage @ The Black Prince, New Haw 13/01/2015

Strange pub this, you have to pay £1 to park in their car park as it is not their's but a public car park, not a good start to attract custom. Moving on swiftly, visitors tonight were an Aussie originally from New South Wales, but now living here, known as...Is it Safe. Well we will find out eh ? Sausage sent us off into the darkness, torches and gloves at the ready, pretty flat area round here, and not much parkland either, but the run nicely spread out including some of West Byfleet too. Good to see Andy back with us, always very welcome, plus Molesey Matt and girlfriend. Mother Brown was out, enjoying himself as usual. However we came to some narrow footpaths between the fields, and shiggy galore gave our trainers a good coating of mud and water, apart from 'The Privileged Ones'

who were given the nod, lucky you ! The pub was nice and big, lots of sitting room, unlike some, and we had a good natter. 27th January 2015, our very special Burns Night at Oxshott Sports & Social Club, buy your Tickets asap.....only £7 each, delicious food as always. See you there ! On On, mmmmmm. We will round off with the general consensus which wasthis was a Mucky Sausage of a run, but created in rather bland terrain. Enjoyed the company as always though.

@ The Garibaldi, Knaphill

20/01/2015

A few people had a bit of bother trying to find this pub, but they all got here in the end, on a nice dry night. Very good turnout, our Grand Master was back from his hols, plus Mother Brown and Wasser also Tracey, Louise, Linda & Mark made it, together with Molesey Matt, and Worzel entertaining as always. A cracking run by George, sent us everywhere, into every bit of woodland, and even into Sheet's Heath Common no less, an area to find rare birds, pheasants, woodpeckers Darwins and others. Very close to the Basingstoke Canal. Visitors tonight were found by Andy & Ding a Ling in a cul de sac ! Yes, they bumped into 2 ladies, who were looking to join a local running club, and we all met Jo & Sophie in the pub afterwards ! Welcome to the delights of Weybridge Hash...see you running soon ! Even in the friendly Garibaldi pub, the bar girls were jumping on each other's backs..... What a happy night was had by all.....cue Pharrell Williams – Happy – Youtube. See ya !
