All Up Front

@ Oxshott Sport Club, Oxshott

27/01/2015

Our now famous annual Haggis run, set admirably by All Up Front Cathy from this very accommodating venue was suitably well supported as ever, and people were dreaming about food soon after the start! A bit of a mudfest was had by all in the woods. Great turn out, Kerry & Tracy, Louise & Linda, plus all the guys, Rupert turned up, excellent, and Daffy in his usual orange wig and tartan kilt plus Little Bear, very happy soul that she is. Mother Brown, Len & Tosser too. Dishy Dave & Mark, Malcolm, Giles, Andy & Andrew, our newbies so everybody was there.....and much eating was to be had in the clubhouse afterwards and even a fair quantity of beer was quaffed. Cracking night, with Chelsea winning on the TV as well, what more could you ask for? Our thanks go to our Master Chef Geoff for all the cooking....delicious THANKS and our friendly barmaid! So see you all again very soon.....

Doner

@ The Bells, Staines

03/02/2015

It bloody cold and even the threat of snow didn't put off a band of hardy hard-core hashers for Doner's run round Staines or Staines-on-Thames as it attempts to move away from its Ali G past. The run took us on to Stanwell Moor as we left the Staines ghetto with lots of deviant back checks that kept the pack together nicely on this chilliest of nights. The route lead us a merry dance back to the very hospitable Bells Pub with piles of chips, nuts (in addition to the norm WH3 nuts) and assorted goodies. Big up yaself and much respek. Booyakasha

Pig Pen

@ The Horse & Groom, Merrow

10/02/2015

A nice crowd gathered for this one, Pig Pen's steeplechase atop the hills, above Guildford town centre. Tight Git Giles was very keen to set off on the dot of 8pm, and we had our dose of residential running before disappearing into the woods of Merrow Downs. Very welcome visitors tonight were 'Not Quite Sure' a Guildford hasher and Popeye without his girlfriend Olive Oyl, the cartoon character created in 1919 ! We had a nice dry night, looking up at the stars, and we even ran across Guildford Ladies Golf Club, or is it Gold Club, yeah.....maybe. Gorgeous George was told he was at his peak age of fitness, thirty something and he said, yeah....right ! Tracy and Louise rocked up for this one, and Molesey Matt even brought his infra red telescopic lens thingy to look atwhat? Anyway, expensive piece of kit. Pub bound, we wolfed down the beers and lagers, and found ourselves upstairs in some ante room, and low and behold.....posh chips in little cartons, did come....THANK YOU MATT! Our Grand Master came and thanked our Hare for the run, the pub and the food in a certain manner of speaking -----!! We are off to Banstead next week, see you there...

Dingaling

@ The Woolpack, Banstead

17/02/2015

A stalwart pack made it to the outer reaches of WH3 territory, darkest Banstead. Others may have been deterred by the "Mud Warning". The hare has, allegedly, in the past, been accused of laying the same trail for different runs (and not providing CHIPS). He went one better this time and used the same trail for different parts of the run, carefully labelling and re-labelling "the trail". This, did in fact, work but gave "The Usual Suspects" (you know who you are) an early short cut. Those who stuck with it were treated to a beautifully scenic (even in the dark) high ground with a glorious view of CHIPStead Valley. Louise's friend Geoff aka "Topman" became unwell and they had to withdraw and didn't make it to the pub. The hare told us to look out for the lamas. Sadly it was a no-show (although we caught their whiff) since they had been locked up for fear of rustlers. The hare's "Mud Warning", however, turned out to be nothing compared with the "bar setting" Sausage/Apology Run (1603). All of the pack were back by 21-00 (or near after) looking forward to their beer and CHIPS. Unfortunately, the hare could not persuade The Woolpack to cook any CHIPS. So, we didn't get any CHIPS. "Small Bear" (our favourite Grenadian) came to the rescue and provided copious amounts of potato CHIPS*. It was good to have the Old Coulsdon Joint GMs in attendance, Emyln aka "Made 2 Come" and Karen aka "Legolas" who indulged in nostalgia of yester-decade with our own RA and GM, recounting long lost times and friends in Hong Kong and Brunei. Apart from refusing us CHIPS, the Woolpack had two more strikes against it viz. Their anti-mud bigotry and refusal to allow Andrew aka "GB" and his son aka "Popeye" to enter the pub due to their pathetic no-entry to under-18's rule. Actually it was

four strikes, in all, if you count their running out of most of the beers. Did I mention that there weren't any CHIPS?

Dingaling couldn't help but CHIP in on this write up - Dingaling's run was sprinkled with Hash royalty tonight in Banstead ! We had the joint Grand Master's of Old Coulsdon Hash, Karen and her trusty smiling sidekick Emlyn, joining us to bump up the numbers, together with past and present Weybridge Grand Master's Briain, and our current head honcho Tosser so FOUR GM's in one run, as rare as hen's teeth, you might say.

Louise, Rupert, great to see you, but where was Pig Pen Matt tonight? The river Wey played a big part in our fun run, and then in the pub our cheery Hares gave us....wait for it...TEN bowls of chips, as if the Run was not good enough! Well it sure was. We will be doing this again Girls....your reputation is growing fast.....and yes you do like to do things in style !
