Worzel

@ The Jovial Sailor, Ripley

26/04/2016

An enthusiastic group of hardy runners turned up for this unusually cold April evening. Doggedly determined to see what Worzel had in store for us. He sent us off into the Farmer's fields, which Spanish Mistress thought looked like Beirut, the capital of Lebanon no less! A creative mind at work? Give her a glass of champagne, that should do the trick. Sausage here running again, Naked Chef and Top Man too, Kerry, Jo, Calamity and Tight Git, excellent! Doner and Kebab were running wild in winter clothing, was needed tonight! We also had the delight of seeing The Honourable Horn..aka Piercy playing a merry tune to warm our hearts en route. Slowly we warmed up as the miles went by, dreaming of that pint of reward to follow. Back at the pub, we rushed in to the cosy warm surrounds of this nice gastropub, with Worzel plying us with many bowls of hot chips and sweet potato fries.....mmmmmm thanks. We want the Spring to cometh....soooooon ! On On to sunny days ahead. No wonder we dream of hot sandy beachesoh yes!

1673

Spanish Mistress & Sodden Asset @ The Bailiwick, Englefield Green

03/05/2016

Spring has sprung, our first Run without the need for torches was provided by our genial hosts, Spanish Mistress & Sodden Assets who cleverly chose a delightful pub, next to Windsor Great Park. We were treated to a run round Savill Garden, beautiful ornamental gardens created by Eric Savill in the 1930's. Trees, and magnolias galore, lakes and even a giant Sequoia from the redwood Forests of California, beautiful to see the red bark. We saw some deer leaping across the daffodil fields, and even the Totem Pole celebrating the centenary of British Columbia . Visitors, tonight were Lucy and her brother Max, great to see you both ! Also Dishy Dave appeared at last, great, and also Christine from Shepperton. The pub was a delight, with delicious chips , and Oh my Lordee ! Whitebait and brown bread to tease the tastebuds.....delish. Two hashers Kung Foo Panda & Tight Git go so carried away with their surroundings tonight that they did the run TWICE.....and then missed all the yummy food ! Not fair is it. Some history for you All, the Virginia Water lake, we ran past was named after Queen Elizabeth 1 The Virgin Queen. Also it was drained in World War Two , to prevent enemy aircraft using it as a landmark to bomb Windsor Castle. Harry Potter has been filmed here too. On On !

1674

Wasser

@ The Foley Arms, Claygate

10/05/2016

On Scribe boycotts RA Run

Was it pique, professional jealousy or fear of the unknown? Whatever, a boycott it clearly was

Major transaction recorded at Thames Ditton high street bank

A local resident was forced to take on a major loan in order to meet the cost of chips at the Foley Hotel in Claygate last Tuesday. The proprietor pointed out that there was a wide variety of chips, including sweet potato, fat and skinny, and also that negotiations had been extremely tough, he having had to concede a 3 for 2 deal. However, Mr Wasser still found it necessary to make special arrangements to meet the cost.

RA strikes deal with God

It is a well known fact that God lives in Esher, just over the border from Claygate. On Tuesday he spread his benevolence across that border and spared all from the downpours experienced earlier in the day. "It was just something that came from my personal relationship with Him" claimed the RA

Well known Alexander Practitioner disappears

In an event reminiscent of Agatha Christie's disappearance from Newlands Corner, the well known doyen from Dorking, Ms Fish & Chips, failed to appear in the pub. Several witnesses confirmed that she had returned safely and had been seen sitting in her car. We will bring you more as this story unfolds

Relationships established with Malaya

Ambassador Richard from the KL Wednesday hash made his debut. We hope to see more of him

1675

Doner

@ The Edmund Tylney, Letherhead

17/05/2016

Named after The Master of Revels to Queen Elizabeth 1, Edmund lived in the mansion that stood on the very site of the present library, in this very spacious pub. Our Hare Doner took us on a right old goose chase, up and down and around all the local fauna, past Churches and bordering on parts of The North Downs Way. Super trail leading us on into fields of plenty, but no horses galloping along with us tonight. We had a new visitor Richard, who joined us last week and liked it, Dingaling was keen to steal the £50 note in his back pack, but he said he didn't have one !! Pig Pen was busy checking, Great Bear was back,good , fresh from house repairs dressed all casual like. Hash Cash Sausage is becoming a veritable athlete, turning up for the run.....again, more on that later. You can park right outside this old pub, but we mostly didn't, unawares....but inside Doner provided a running buffet, bowls of chips, nachos and dips.....and gor blimey She laid on some baby chicken wings to gorge on.....Sausage was in his element.... even moving tables to get more food !! A cracking run with delicious pub grub...thanks Doner!

Well what a marvellous evening ! Girl Power was in evidence tonight with Ali, Helen & Lesley, all turning up, to support Louise & Geoff, just like they used to have time to do every week, ten years ago ! Gorgeous kids come along, and people move further away. We had a great run round Epsom Commons, 436 acres of Surrey's largest local Nature Reserve & Ashted Common, super terrain with lakes and forests to enjoy. Chris & Dave joined us from R2D2 Hash, which stands for Roman Road Decidedly Dodgy, which is testament to the actual Roman road that runs through Andover on its way to Dorchester. Spanish Mistress and Sodden Assets were back from their French partying, and Great Bear back from the Isle of Wight. The gold medal though, has to go to Mother Brown, who last Tuesday got off the plane from Melbourne, and then came running with us that night in Leatherhead !! Briain was back with us, and Len, also Fish and Chips Anna came from Dorking.....woo hoo. Beautifully restored pub, with enthusiastic staff, serving good Ales, and loads of chips. Yippee ! A cracking night for All to enjoy..

**Our very own Jo is running the Skye Half
Marathon in memory of her dad. Let's help
Jo raise loadsofmoney**
