1540 Spingo @ The Old House at Home, Dorking 29/10/2013

Stars dancing across the sky, a perfect setting for our Hash tonight from the very busy car park behind the Antique shop road. Spingo sent us off and away, up and down the hills of Dorking to the very borders of the Denbies Wine Estate, only been here 250 years! ***Did you know the Romans planted a vineyard in AD 100 at Bagden Farm just 350 yds from Denbies!! So there.....grapes to the lotta yaOff cleverly round the back of Dorking West railway station, and seemingly on our way to Reigate! Then we came back past The Watermill restaurant and finally turned towards Dorking town centre. Nicely, using the back street footpaths behind the town, high up the hillside then back down past Sainsbury's and into the homely pub. Bar lady Zoe made us all very welcome, and our esteemed Drainoil was here to greet us, before he sets off to Malaysia for 5 months!! Lucky fellow..... Daffy and Little Bear joined us, as did Giles, Pig Pen & Louise. Another happy night for all our runners.....thanks Spingo and her trusty dog, Hatty!

1541 Great Bear @ The Old Bear, Cobham 05/11/2013

Our venue tonight, The Old Bear has become one of a chain of Wildwood quality restaurants, adding a new flavour particularly aimed at Families in Cobham ! We wish them well. Back to the name of the game, Hashing and our run tonight. Many turned up for this interesting and appropriate Great Bear run taking us cleverly around the 'Fields of Barley' oops I mean Cobham. Visitors tonight were Major FL or Martin we will call him from Guildford Hash joining us again, for the run anyway. Great to see smiley Belinda back, even on a colder Winter night. Curious George, full of fun as usual, he should have his own Chat Show on TV. Mark and Spanish Mistress back where they belong, regaling souls with their mischievous spirits, lovely ! Tosser rightly told off Ding a Ling, for not managing to find the time to chat with him in the pub, even though Ding always says hello on the run. Pig Pen was not impressed with the décor and changes in the pub, well I ask you !! Ruth and Alan back to their chatty best tonight, before they are off on hols, ENJOY ! It was particularly amusing watching restaurant goers coming out to the car park and seeing half naked runners changing out of the backs of cars, not knowing where to walk next..... Come and have fun this Winter on Tuesday nights with Weybridge Hash !

1542 Matt @ The Bell, East Molesey 12/11/2013

Our Molesey man Matt is our host tonight, as we travel at speed round the town, river, weir, parkland and roadways that make up this vicinity. Visitors tonight were Melanie and Stuart who found us on the Net, very good keep coming, you are always welcome to join us! Torches are now, not just fashionable but necessary on our runs as the Winter nights draw in, our techno torch Geeks, Simon & Matt, both expert at knowing and finding the best piece of kit to use, to brighten your pathway. Simon busy flashing his vibrant blue ankle bracelets, Ding a Ling wants them in orange please. Louise, looking very happy tonight, and a lovely surprise Alison, aka Knickers turned up for a good chat, as she is a local girl. Wasser, Tosser, Mother Brown and Agent Provacateur were strongly in evidence tonight, the pub must have been a favorite for them! Our Hare Matt, took us near to the Thames, then cleverly away from it on a number of occasions and his whole trail was littered with clever cutbacks down dark alleys, we are seeing a Master at work here, or possibly.....a town planner ! Supreme run.....Spanish Mistress and Mark seem to be back to their best, and Kung Foo Panda Neil brought Stuart and Matt along for their fitness workout. Great fun was had by all....not surprising really. Don't miss it, every Tuesday night.

1543 Naked Chef @ The Prince Blucher, Twickenham 19/11/2013

A clear dry night, with a nice Winter's frost in the air gave us a good incentive to run fast tonight. Another big pack for this one, 'Herself' the Hare Louise has a good reputation for her runs.....and we were off! Soon after, we ended up in a nice place, Crane's Park, named after the local river, and ideal for us to run through. Visitors tonight, Anthony from Dunfermline again, lovely chap always tries to join us when he is down here. Claire, Neil's sis, decided to let her hair down, I think she needs to be at a Bon Jovi concert really, just too good, those flowing locks...crowning glory. Also Call Girl, aka Nicki, she seemed to have fun, that's always good. I promised not to print what she said, that would have been shocking!!! ...Melanie, the newbie from last week, keenly racing along at the front. Dashing Dave also, appeared, suave and smiling as ever. Much saucy conversation was had, as we raced jauntily round Twickenham and into Teddington, then St.Margaret's a bit, before turning for our home for our night to continue on Twickenham Green. Cozy pub this, lots of little rooms to plant yourself in, with 20 people or so. Naked chef very kindly laid on plenty of chips for us to gorge ourselves on...Yummy ! Thank you muchly. See you next week.....

Our Hare was surprisingly exuberant tonight before the off, even telling Ding a Ling, he can learn a few lessons tonight ! We will see how the run unfolds eh? Another great turn out tonight, with Molesey Matt bombing along, our torchlight supremo, Ruth & Alan reliable as ever, Great Bear to, on fine form. Kung Foo Panda & Stuart to, having fun. The flour was laid to follow, but then we were called back to the correct Trail?? A check later on, was marked through as Simon noted, but not to where we needed to go. I think there is a Pythonesque theme to this evening Terry Jones & Wasser are in this together. But it is fun. The scenery was nice, but much moaning about too many checks, was heard, alas. Mother Brown is off to sunnier climes, Melbourne for the next five months, lucky man we wish him well. Trevor will have to continue entertaining us over the Winter. We came in, out of Esher Commons, via Arbroom Lane all the way back to The Swan. Chips were nicely laid on, in our friendly pub, thankyou Wasser! The verdict ? ...was left to wise Mother Brown, who said the highlight of the evening's Run was watching the red K3 bus for Roehampton Vale, lost and unable to reverse without scratching it's bottom on the roadside! I think you can say, 'Must do better Wasser'.
