Run Report 1968...The Anchor...PYRFORD LOCK...6.12.2022

On a chilly Winter's night, just 6 degrees of warmth, we drove past RHS Wisley, round the winding roads to visit this lovely pub restaurant, built on the banks of the river Wey. We wrapped up well, torches at the ready, and Nettle Rash sent us off along the riverbank, then right across a bridge, and into the dark fields around. A rather nice atmospheric evening, bone dry, but bone cold. Few people were outside at all, no surprise really. Lord Tosser, Wasser, Ard'On Provocateur, and Master Bates brought their wisdom, the rest of us brought our charm and goodwill to a rather healthy Christmas gathering ! Back to the pub soon after 9pm ish, via many interesting lanes and alleyways, we had quite the treat ! Into the pub, warm and cosy, lights everywhere, we sat down to start gossiping, and the banter certainly did fly, in all directions, certainly coming from certain wise men ! Nettle Rash Andy, did us proud, even persuading the pub to do 7 bowls of chips, when the kitchen was really closed ! A cracking evening for the rest of us, Naked Chef, Topman, Kung Foo Panda, Great Bear, Tight Git, Pig Pen, Pusseye Meriel has taken some fabulous photos for you ! Dingaling returned from his latest Asian adventure in Thailand, got quite a bit of stick, which was not appreciated, but that's life ! 28 Degrees is a lot warmer than here, so good luck to him ! We have our marvellous Christmas Bash on Saturday 10 December in Byfleet, starting at half time, during the England v France, World Cup quarter final. We better win, I reckon 2 – 1 England !! Do come and join us next Tuesday evening to get fit, we are running from The Victoria at Woodham, KT15 3QE, and Neil will entertain You All for sure. We can play ...hunt the Mince Pies in the pub eh ? Or just wear your best or worst Christmas Jumper....yeah, go on, I dare You ! Wurzel, where are You ? It's time to eat and drink, and wrap up warm ! On On Folks, see You All next Tuesday, with your torches.

Run	:	1969	13 th December 2022
Hare	:	Kung Foo Panda	NEW HAW
Start	:	The Victoria, Woodham Lane KT15 3QE	

Run Report 1969...The Victoria...WOODHAM...13.12.2022

This very upmarket Pub Restaurant, one of six owned by Prospect Pubs and Bars Ltd, founded only in 2019, recently completely refurbished The Victoria, to a very high standard in November 2020 after a year's work, was our thriving venue tonight. Packed with punters as we arrived, and the same after an hour's running too ! More later. A jolly group of Weybridge Hashers rocked up for this almost Christmas Jolly from Kung Foo Panda aka Neil. Always one to provide a quality run, and he did not disappoint tonight. Great route, first mile was alongside the River Wey Navigation, past all the long Narrowboats, neatly moored forever, beside the towpaths, underneath the M25. We went all round New Haw, a bit of Addlestone, and back through the woodland pathways, as you would expect of Neil. A cracking route for about 15 runners, and boy, it was nippy, -2 to start with, but nice and crisp and dry under foot. No mudbaths this week. Wurzel was back, walked here even ! Good to see Megabit too, with his bobble hat on, and Dingaling now acclimatised after the heat of Thailand. Pusseye, smiling through, having had a KFC lunch, and then really going for it, demolishing a box of After Eight mints in the afternoon !! Blimey, I say, someone piped up with, 'Well, You can run after 8 too' ha ha said the Clown. Kebab, also adjusting after going to Goa, a week in which he and his girlfriend were able to see almost a Bollywood Wedding a day, being built, created, designed as they travelled around sightseeing ! 'Rogan Josh' to you two !! Once back and into this warm, chattering, nicely lit pub, we were given quite a lot of squidgy chips to eat, fantastic ! Cheers Neil, most kind and Nathan and his staff were on it, sharpish. The Wise Men, did not miss this pub either, Wasser, Lord Tosser, Ard'On Provocateur and Master Bates, whose hand is still recovering, in plasters from his Op. Top Man, Naked Chef and Dingaling barely mentioned the football, just too painful really. We are just not quite good enough yet, to get over the line as World Cup winners. Our Christmas Bash at The Rajput last Saturday was delicious ! Next Tuesday come out for some fun running, as You approach Esher from The Fairmile pub, over the A3, down the slight hill, on the flat, and then sharp LEFT into the small Esher Commons car park, before the next hill. Opposite Black Hills imposing electronic gated entrance. Roughly KT10 9JW is about it, then drive back to The Fairmile for drinks afters. See You there, cause next is CHRISTMAS 2022. Ho Ho Ho ! Santa will be on his sleigh. Note....DEC 27 Run will be Pusseye to entertain You, back in PYRFORD again, 11AM Run, NOT night time. Nateley House, Ridgeway. GU22 8PW. But do NOT park on the grass VERGES.....Apparently Pusseye's 50th BIRTHDAY....No way !!! BYO Drinks, Food provided !!! Wey hey, Meriel rocks the Casbah !!

Run 1970 report, kindly provided by PigPen, for the Worzel run around Cobham from a dodgy car park

*In recognition of Edward Lear;
A hasher with moniker Wurzle,
was expected, with good flour dispersal,
to make sure without fail,
to set a good trail,*

and we even let him have a rehearsal.

*All was set, or so it had seemed,
then the lurgy, of course, intervened,
so Calamity Jane,
Wonder Woman became,
and with Wurzle, the two double-teamed.*

*The run it went off through the wood,
and kept us guessing, whenever it could,
The trail was quite ziggy,
sandy tracks and some shiggy,
some said, it was actually quite good.*

*The Fairmile was the chosen On-On,
but the crowds had quite obviously gone.
So we were able,
to find a big table,
and stay there until we were gone.*

Run 1971 Meriel's birthday 11 O'Clock Christmas run from Pyrford.

If you are going to have a birthday bash, it seems a good solution to have the right Sister and brother in law,; for Meriel she has that sister - Beth and her husband is Chris. Then part of the bash arrangements are to start cooking the day before, fire the grenade bar b que up with charcoal and set it to cook the pork, for pulled pork. 16 hours cooking time, great results. Have we set the scene? The day was chilly, winter sunshine and dry. We had one visitor Jonathan an experienced hasher from Bali relishing his first trip abroad for four years and he seemed to appreciate our non-religious UK Hash experience, he is going on to Morocco and further stops on his way home.

The trial was out across the sleepy golf course 'Traditions' and then along the canal past the Anchor PH through Wisley golf club, back over the canal, over to the farm land with cows chewing the sweet smelling silage. up Into the old Rowley Bristow woods and into the footpaths of pyrford, past the primary school, right and we were, on in; back to lovely estate where Beth and Chris and their Children live. Meriel swept up the back of the hash and marked it all through, Morgan her daughter ran at the front of our select group of hashers. Len attended the on-on and paid a heart felt and moving speech about his Joy. Joy sadly died on Christmas day, peacefully and in hospital. It was great to recall Len's and Joy's much enjoyed trips to Portugal and France, with a self declared gooseberry called Brian. We think that Beth was impressed that three of us cycled to her home to run (and with our exceptionally clean bikes), others parked their cars on the verges outside the house. The challenge of keeping grass verges seems to be a homeowners challenge in the Ridgeway, hopefully we didn't make to much of a mess. As we enjoyed the food and drink, every so often Meriel would receive a Mobile phone call not seemingly to say anything but for her Family to sing 'happy birthday', she has a lovely Family. Happy birthday M.
